Endnotes:

- 1 Project cancelled (not due to rescission) and funded with base (non-ARRA) appropriation to address immediate operational needs.
- 2 Project cancelled due to insufficient state matching funds.
- 3 Project cancelled unable to execute project due to real property issues, bids significantly exceeding program amounts, unproven technology, or delays in NEPA compliance actions.
- 4 Funds obligated for design.
- 5 Project cancelled due to rescission.
- 6 Project cancelled due to insufficient funds because of cost overruns on other projects within the appropriation.
- 7 Project cancelled due to changed operational requirement.
- 8 Projects cancelled and replaced with project titles that more closely identifies the work.

**American Recovery and Reinvestment Act of 2009
Facilities Sustainment, Restoration, and Modernization Project List**

TAFS #	TAFS Description	Project Title	Installation/Location	State	Original Cost Estimate (\$000)	Actual Obligations at Year End (\$000)	Project Category	Project Cancelled? (Yes/No)	Project Added to Original Program? (Yes/No)	Endnotes
--------	------------------	---------------	-----------------------	-------	--------------------------------	--	------------------	-----------------------------	---	----------

9 Navy projects added.

10 Air Force projects added.

11 Some obligations occurred to fund pre-award activities (preparing state of work or request for proposal, negotiating in preparation for award, investigations, borings, testing, topographical surveys, etc.).

12 Project cancelled as investigations revealed the intended work would be inadequate and the correct fix required substantially more funds.

13 Project cancelled as U.S. Fish and Wildlife Services disallowed the project.

14 Project obligations occurred to fund termination costs. Termination was necessary because project could not be awarded timely due to post-award protest/s or work was awarded under a different contract.
